## ATHLETICS AT ARMORY BRING GOOD RESULTS

Bowling, Shooting and Other Sports in Line Now; Billiards and Gym Work Coming

Pin disturbers are becoming the usual thing around the Armory these days. Since the bowling alleys were installed, a number of the Knights of the Maple Skid have taken the opportunity to roll up some healthy scores, and from 70 to 100 bowlers are using the alleys each day.

With three alleys that rank with any in the country, the pin smashers of the National Guard have an excellent opportunity to improve their scores. Among the most ardent exponents of the ten-pin game is Colonel Lincoln. He has made a number of 300 scores to date, and a glance at the score board will show a good average for the week.

**Officers' Team.**  
Major Lawrence Redington also has chalked up a number of good scores, and is returning to his old form. With these two bowlers as a nucleus the officers of the National Guard should soon have a team that ranks with the best in the islands.

Plans are being made for a tournament which will bring out the stars, and a successful season is looked forward to by all interested in the game.

**General Johnson Crack Shot.**  
Alongside the alleys, the shooting gallery invites those who prefer to take part in this sport. Brig-general Samuel Johnson is an advocate of this branch of sport as well as others, and ranks highest in the list of all the marksmen. He has made a score of 99-100, which stands for others to shoot at.

With a bowling alley and gallery, the National Guard have interested the men in the various lines of sport, and plans have been laid for the installing of four pocket-billiard tables in the basement. This will be followed by a gymnasium which will give the National Guard a place as an athletic institution.

Brig-general Samuel Johnson has always been a lover of good clean sport, and his attitude in promoting athletics has done much to make the members appreciative. The addition of the three alleys is only another step in the advancement of our athletic life in the city.

## FLETCHER WORKS AN OLD GAG ON MATTY.

Arthur Fletcher is the wit of the bunch. He has a quick, original answer for about every question that is put to him. One morning a few weeks ago he was walking up from the ball park along the tracks of the I. G. and N. railroad at Marlin Springs, and Matty said to him:  
"Say, Fletcher, who is the president of the I. G. and N. railroad?"  
"I don't know," said Fletcher, "but I'll find him pretty soon."  
"Find him?" said Matty. "How can you when you don't know him?"  
"Well," said Fletcher, "I'm on his tracks now."  
Matty was revived with difficulty.

## KALIHI, N. A. C. AND STAR-BULLETIN TEAMS WIN OUT IN BIG TRACK MEET

S. W. Robley Stages Successful Meeting at Games Hall of Y. M. C. A. Last Evening With 141 Boys in Competition—Kam Leong Stars in High Jump Event for Star-Bulletin Juniors—Boys' Clubs Will Hold Outdoor Meet in June

Last night in the games hall of the Y. M. C. A. S. W. Robley and his assistants staged the best and snappiest indoor track meet ever held by the Honolulu boys' clubs. There were 12 different divisions of boys in the Senior, Junior and Midget clubs, and the well ordered and rapid manner in which one event followed the other kept the large number of spectators interested from the opening, which was at 6:15, to the last event in the senior division, which was the high jump at 9:25. This was a record as far as events and time is considered, there being in all 20 events run off as per schedule, six in the midget, seven in the junior and seven in the senior division. More than 140 boys took part in the competition.

The Star-Bulletins took the senior division championship with a total number of points of 28.

The Kalihi took the junior championship with a total of 27½ points. The N. A. C. Club took the midget championship with a total of 23 points.

**Well Handled Meet.**  
One of the reasons for the great success of the meet was the perfect way in which the handling of the events was arranged and the caliber of men who officiated. Mr. Midkiff of Oahu College was starter and his excellent work was a large factor in the evening's pleasure. Judges, William Rasmann, Bill Dreier, Owen Merrick, Clair Tait and Arthur Penae; scorer, Glenn Jackson; announcer, C. E. Lambert; clerk of course, S. W. Robley.

The midget clubs clashed first and started the ball rolling with the 300-yard hurdle relay race, which was won by the N. A. C. The next event, the broad jump, went to Kalihi. The tug-of-war was fast and furious while it lasted and was won also by Kalihi. The next event was the biggest hit ever pulled off in the athletic line in Honolulu and is called the Honolulu crawl. This went to the N. A. C. through the speed of Ah Wun. Then the mat relay of four men each, running 50 yards and turning five head front rolls, went to Kaimuki. Then the 600-yard relay race, which was also won by the N. A. C. The score:

N. A. C.	23
Kalihi	27½
Kaimuki	10
Kakaako	6
Kalihi Boys Star	2

The feature of the junior meet was the greatest strength that Kalihi showed in the relay races, in which events it showed its heels to the field and won in a walk. Kalihi took first in the 300-yard hurdle relay, first in the 600-yard relay, first in the tug-of-war, second in the mat relay, first and tied for second in the high jump, second in the broad jump and second in the Honolulu crawl.
